2. Clause II

No claim to attach to this insurance if the occurrence in respect of which such claim arises is the cause of the vessel becoming a Total Loss (Actual or Constructive).

3. Clause III

In all cases where a recovery is obtained from third parties in respect of loss of earnings or demurrage such recovery shall be apportioned between the Assured and the Underwriters as their respective interests may appear.

4. Clause IV

5. Clause V

Held covered in case of any breach of warranty as to cargo, trade, locality, towage, salvage services or date of sailing, provided notice be given to the Underwriters immediately after receipt of advices and any amended terms of cover and any additional premium required by them be agreed.

6. Clause VI

The expression 'one accident' shall be deemed to include all heavy weather damage occurring during a single seappassage between two successive ports as defined in Clause 12.2 of Institute Time Clauses-Hulls (1/10/83).

7. Clause VII

If this insurance attaches or expires during a passage as defined above heavy weather damage occurring on the same passage but outside the period covered by this insurance may be added for the purpose of calculating the loss provided the damage sustained during the period covered hereunder has not been repaired during the passage, but only the proportion of the loss arising from damage occurring during the currency of this insurance shall be payable hereunder.

8. Clause VIII

It is understood and agreed that if the Vessel is prevented from earning hire on separate occasions, which shall not in any event exceed three, in respect of any one accident or occurrence falling within this insurance, for the purpose of ascertaining the amount claimable hereunder the total time that the Vessel is off hire shall be taken into account, provided that the repairs are completed within 12 months of the expiry of this insurance.

9. Clause IX

Should the Vessel at the expiration of this insurance be at sea or in distress, or at port of refuge or of call, she shall, provided previous notice be given to the Underwriters, be held covered at a pro rata daily premium to her port of destination, but in no event shall such extension affect or postpone the operation of the Institute Notice of Cancellation and Automatic Termination of Cover Clause for War.

10. Clause X

In such event Underwriters agree to return pro rata nett monthly premium, provided there are no claims on the Vessel during the currency of the insurance prior to cancellation. In no other event shall there be any return of premium (except as provided under Clause 14.3 below). This clause shall prevail notwithstanding any provisions whether written, typed or printed in the insurance inconsistent therewith unless especially agreed by Underwriters.

11. Clause XI

However where such change, suspension, discontinuance or withdrawal of her Class has resulted from loss or damage covered by Clause I of this insurance such automatic termination shall only operate should the Vessel sail from her next port without the prior approval of the Classification Society.

12. Clause XII
